Central DIESEL INC.

Central Diesel's mission is to be a quality supplier of equipment, diesel engines, parts and services that offer unsurpassed solutions to our customers.

Central Diesel Inc. was founded in 1972 by Martin R. Wittersheim and is located in Richmond, VA. Due to our expertise in the following markets; marine, construction, mining, rental, industrial, military, state government, federal government, transportation, and agriculture; we have over 4,000 dedicated customers. We are a growing distributor for the following product lines; Aeroquip, Deutz, Racor, Mitsubishi, Wix, BorgWarner, Robert Bosch, Donaldson, Delco Remy, Phillips Temro, Wilson, Denso and Zenith Power Products to name a few.

We at **Central Diesel** value 100% customer satisfaction, customer focused business practices, respect from our suppliers and business partners, and excellent working environment for employees and to have profitable growth.
